Cottrain, Saurus Todd Downham: Jefforson, Mambew: Cru Wilcox Status Update Tuesday, February 28, 2017 8:02:00 AM Image003 png Image004 png

Good Day Everyone, I wanted to provide this update and remind everyone of the document resources that are available.

Please tentarieve make your schedule an open house during the week of April 10, 2017, with preference for Thursday, April 13, 2017, (130pm to 300pm), we are looking to schedule a meeting with the tribes and trustees to discuss the site.

At present, data collected in August, September, and October 2016 have been received from the lab. We will be using the data to assist us in our understanding of site conditions and help us focus future activities. Once data have been reviewed, we will being in planning our next field event to complete the soil, surface water, and sediment activities as outlined in the Final FSP. As noted in the FSP, the site is being investigated in phases with each new phase relying on the findings and data from the previous. Phase 2 Mobilization 2 will take shape after completion of Phase 2 Mobilization 1. Please findings with property owners to discuss data results.

4. Hold an open house for the public to present and discuss results and project status.

4. Hold an open house for the public to present and discuss results and project status.

5. The Bornelot Colombian status and the standard planning with property owners to discuss that results.

4. Ottober 17, Ovober 23, and October 31, 2016 completed failed event that resulted in the collection of a subset of the surface water data, ground water residential wells, and vapor intrusion (air samples). Data area slowly being received from the lab. Data will be reviewed usassist with future activities and focus on relevant contaminants of concern.

5. The passive gas data was collected in August 2016. The final report has been received and is available for review on the Wilcox one drive folder.

7. Final Size Sample and Analysis Plan was finalized in September and shared on September 13, 2016, it is found on the website (see below) and in the Wilcox one drive folder.

7. Final Size Sample and Analysis Plan was finalized in Septe
